## **School Rules**

### **American Heritage of South Jordan School Rules**

The Code of Conduct is used as a guideline for all students to adhere to. Within that, the following rules apply for all students:

Treat teachers and fellow students with respect

Keep the school guidelines on and off campus, as they are representatives of the school

Not use offensive language

Not use illegal drugs and alcohol—both on and off campus

Not smoke or drink tea and coffee on or off campus

Refrain from socially unacceptable behavior, e.g. improper physical conduct between students at school

Not engage in immoral physical conduct outside of school, as this will affect their standing in the school

Respect their bodies—tattoos or body piercings are restricted while registered at AHSJ—one hole per ear lobe is approved for girls only

Not chew gum at school—1st offense = warning, 2nd = \$3, 3rd = \$4, 4th = \$5, etc.

Not change any computer setups whatsoever. Students are not allowed to load software of any kind without written permission from the administration, nor may they delete any files, change passwords/names, hack into any computer system or fellow students' files, or delete history.

Never implement inappropriate files/software. Students may not access, display, store or print socially unacceptable files or pictures, or have them in their possession on school premises. Students are not allowed to access social websites such as Facebook and MySpace while in school, as well as access their email, without administration authorization. American Heritage reserves the right to monitor material accessed by students.

Not eat or drink in the computer room, library, laboratories, or classrooms, except bottled water with teacher approval.

Not lie or falsify.

Never cheat or plagiarize – this includes copying from another source such as the internet or a peer, sharing answers, or turning in work that isn't the student's.

Never be in the computer lab unsupervised, unless authorized by a teacher.

Help keep the school hallways, classrooms and locker rooms clean.

Never use a teacher's computer.

Be quiet and respectful in the hallways, stairways and classrooms in order to not disrupt the learning process of other students—this includes behavior and attitude.

Be responsible for their personal belongings and valuables.

Understand that cellphones, pagers, MP3 players, and all other electronic devices are not allowed during school hours. If these items are brought to school they must be deposited with their homeroom teacher. School issued or authorized tablets and translators are the exception to this guideline. 1st offense = warning, 2nd = parent will need to pick up, 3rd = school reserves the right to confiscate.

American Heritage of South Jordan reserves the right to check lockers and backpacks being randomly when there is concern of a violated guideline.
