

# AHSJ SERVICE

---

## Requirements

Each family is required to provide 20 hours of service during the school year. There are many areas of opportunity for service in the school. It is a great experience for each student to see their parents and family members taking part in their educational experience.

Service hours are tracked in our online system, Parent Web, as this is a requirement for each family. Money is not accepted in place of service hours. A list of volunteer opportunities is available on our website and the Parent Association provides many opportunities for service throughout the year.

All parents serving in school classrooms or directly working with students must pass complete a background check.
